

## Events Committee

### What do we do?

Organizing academic and social events for active, as well as passive UNSA members.

**Academic events** include guest lectures about current and controversial topics, panel debates, workshops, skills trainings, our annual career week “Careers Beyond Borders”, etc.

**Social events** include get-together drinks, the UNSA birthday party (10th edition this year), walking dinners, the annual Charity Ball, etc.

Organising successful events is important in order to set a name for an organisation. The events committee does this by bringing together people from different backgrounds and nationalities, all with new ideas and perspectives. Do you think you're one of the creative and motivated new events members we're looking for? Then convince us with your motivation letter! Of course we want to know about relevant experience, possible internships, etc. you've got. However, what we care about the most is getting to know you as a person. We don't just want to select a committee, but a group of friends. So also tell us something more about yourself, your personality, what you're passionate about, etc. Make it as personal as possible.

Looking forward to reading your motivation letter, and hopefully meeting you for an interview!

*Esther & Oliver*

**Head of Committee:** Esther Klaps

**Co-Head of Committee:** Oliver Simonis

**Estimated workload per week:** 4 hours: 1 meeting/week plus 2 hours individual preparation
