

## EXTERNAL AFFAIRS COMMITTEE

### What do we do?

**Partnerships:** reaching out to potential partners, keeping in touch with current partners, negotiating partnership agreements, ensuring smooth collaboration and communication between both parties

**Network:** communication with other local and global student organizations, attending networking and information events, meet with representatives from different organizations and discuss and plan common projects or events (in collaboration with other committees)

**Representation:** ensuring a good public image and reputation of UNSA

We are also always enthusiastic about team suggestions and **projects** (one example from last year would be the Fair Fashion project).

**Team spirit** is important to us so we will also have social events within the committee.

**Head of the Committee:** Esther Friemond

**Co-head of the Committee:** Julia Schwarz

**Estimated workload per week:** 5 hours/ week (one weekly meeting and some preparation)
