

## EuroMUN Committee

### What do we do?

If you consider yourself a seasoned and conference-hardened MUNer, then you might have heard about our annual conference EuroMUN. Should you be new to the marvellous world of Model UN, here is a description in a nutshell.

A MUN is a conference in which students typically role-play delegates to the United Nations or other regional as well as trans-regional institutions and simulate their work. They are given a country's viewpoint and need to defend it during the debate, following their respective institutions' rules of procedure.

EuroMUN is a simulation of UN and EU institutions with a focus on Global and European topics. At EuroMUN we strive to provide our delegates with a truly European experience not only academically, but also by organizing social events in a way so that our guests can immerse themselves in the historical environment that Maastricht provides.

EuroMUN has existed for the past 15 years and has drawn delegates from over 60 countries, making it one of the most long-standing and international MUN conferences in Europe.

The ongoing Covid-19 pandemic makes the organization of EuroMUN 2022 a challenging task. The whole organization will need to be very flexible and plan for both an offline and online conference so that we can provide the best possible experience to our delegates if the situation has not improved by May

The United Nations Student Association Maastricht is a registered non-for-profit organization that provides a platform for internationally oriented students to exchange on international politics and to engage in a set of voluntary programs.

2022. Nonetheless, we wish to invite you to be part of this thrilling experience, be it as a member of our secretariat committees (Academics, Finance, Marketing, Socials & Registrations & Logistics), chair at our conference, or as a delegate attending EuroMUN 2022!
